[→] WELCOME TO PRAGUE!

Welcome to Prague! Whether you've just landed, arrived by train, bus or car, we've got the allimportant low down on how to reach the city center using all the possible means of transportation, whether on a tight budget or otherwise.

↓ 1. ARRIVING IN PRAGUE BY PLANE

The airport is located on the northwest edge of Prague, some 20km (12 miles) from the city center. Although Prague boasts other, smaller airports, all international flights operate through Ruzyně. Important related phone numbers include +420 220 113 314 (general info), +420 220 116 072 (baggage claim) and +420 220 114 283 (lost & found).

↓ GETTING TO THE CITY CENTRE

If you've just arrived at the airport, getting downtown is generally, depending on the traffic, a matter of some 20 to 30 minutes (if you make use of a taxi or a shuttle service; see below), or 50 minutes if you use the cheaper yet convenient and comfortable public transportation.

Добро пожаловать в Прагу! Если вы только что приземлились, прибыли на поезде, автобусе или автомобиле, у нас есть все важные данные о том, как добраться до центра города, используя все возможные виды транспорта в зависимости от ваших средств.

↓ 1. ПРИБЫТИЕ В ПРАГУ НА САМОЛЕТЕ

Аэропорт расположен на северозападной окраине Праги, приблизительно в 20 км от центра города. Хотя Прага может похвастаться другими, меньшими аэропортами, все международные рейсы осуществляются через аэропорт Рузине. Необходимыми телефонными номерами являются +420 220 113 314 (общая информация), +420 220 116 072 (багаж) и +420 220 114 283 (стол находок).

↓ КАК ДОБРАТЬСЯ ДО ЦЕНТРА ГОРОДА

Если вы только что прибыли в аэропорт, возможность добраться до центра города, как правило зависит от транспорта. Интервалы составляют от 20 до 30 минут (в том случае, если вы пользуетесь такси

FACTS & INFO

↓...BY PUBLIC
TRANSPORTATION

Bus presents the cheapest way of reaching city center. It links the airport with the terminus of one of Prague's three subway lines. The drawback may be the fact that you need to buy a bus ticket, for which you'll need Czech crowns. Use the ATMs in the arrivals hall to get Czech crowns, rather than changing money at the overpriced exchange offices. You can either buy your ticket from the kiosk or the transport information desk in both arrival halls (open 7AM – 10PM), from the coin vending machines located right at the bus stop platform, or directly from the driver, although this will cost a couple extra crowns. The ticket price is 26 Czech crowns (1EUR / 1.3USD) for

transfer ticket that remains valid for the follow-up subway ride, or for a total of 75 minutes, plus an extra 13 crowns for larger pieces of luggage.

BUS # 119

This will probably be most people's choice as the 119 provides the quickest connection to the historical center. Depending on the time of day, it runs every 7 to 20 minutes and gets you to the A line of Prague's subway. Hop on, remember to validate your ticket, and don't get off until the final stop (Dejvická). The subway entrance is just next to where you get off. The bus runs from 4:18AM until around 12:10 AM at night.

BUS # 100

The 100 bus links the airport with the B-line of the Prague subway. Just get off at Zličín, the final stop. The 100 runs every 15 minutes throughout the day and every half hour after 7PM. The ride takes 15 minutes, but expect another 20 minutes

или трансфером, см. ниже), или 50 минут, если вы пользуетесь более дешевым и удобным общественным транспортом.

↓... НА ОБЩЕСТВЕННОМ
ТРАНСПОРТЕ

Автобус представляет самый дешевый способ как добраться до центра Праги. Он связывает аэропорт с терминалом одной из трех линий пражского метро. Недостатком является то, что вам будут нужны чешские кроны, чтобы купить билет на автобус. Пользуйтесь банкоматами в зале прибытия, чтобы получить чешские кроны, а не менять деньги в обменных пунктах по повышенной цене.

Вы можете купить билет в киоске или в информационном бюро в обоих залах прибытия (работает с 7 утра до 10 вечера), из монетных автоматов, расположенных на автобусной остановке, или прямо у водителя, хотя это будет стоить пару дополнительных крон.

Цена билета с пересадкой составляет 26 чешских крон (1EUR / 1.3USD). Он остается в силе для следующей поездки метро - в общей сложности действителен в течение 75 минут. Для багажа больших размеров вы заплатите следующих 13 крон. Обратите внимание на то, что торговые автоматы и шоферы не принимают иностранную валюту. Автобус удобный, чистый и безопасный способ сообщения с центром Праги для тех, кто хочет экономить. Однако, автобус может быть довольно переполненным в часе пик!

АВТОБУС № 119

Вероятно, большинство людей выберет автобус № 119, который обеспечивает быструю связь с историческим центром. В зависимости от времени суток, он ездит каждые 7 - 20 минут и соединяет пассажиров с линией пражского метро. Садитесь на автобус и не забудьте закопостриговать свой билет. Поезжайте до конечной станции метро

of subway ride if you're aiming to reach the city center afterwards by metro. The bus runs from 5:30AM until around 11:50 PM.

AIRPORT EXPRESS BUS

The Airport Express bus service links the airport with the Hlavní nadrazi train station; it runs every half hour and the ride takes 40 minutes. Although part of Prague's public transportation system, special fares apply: tickets can be purchased solely from the driver and run for 50 crowns (with no extra luggage fees). The AE runs from from 5:00AM to 10:00PM.

TRAVELLING AT NIGHT

If you want to use the public transportation at night, look out for the # 510 bus, operating between midnight and 3.30AM and linking the airport with the tram at Divoka Sarka. From there, take the tram # 51 to the city center. Note that the night bus runs every 30 minutes.

↓...BY SHUTTLE

Various companies run shuttle door-to-door services, or drop you off at the city center. They are generally priced lower compared to taxis, and can be easily found outside the terminals. The CEDAZ minibus shuttles run every half hour and costs 120 crowns per person, dropping you off at the city center. The service operates between 5:30AM and 9:30PM. CEDAZ will also drive you directly to any given address, but you need to pre-book (call +420 220 116 758 or go to www.cedaz.cz). Other shuttle services include Prague Airport Transfers who accept credit cards (www.prague-airport-transfers.com).

Дейвица. Вход в метро находится рядом с местом, где вы будете выходить из автобуса. Автобус курсирует с 4ч. 18мин. утра примерно до 00 ч. 10 мин.

АВТОБУС № 100

Автобус № 100 соединяет аэропорт с линией Б пражского метро. Выйдите на конечной остановке Зличин. Автобус № 100 ходит каждые 15 минут в течение дня и каждые полчаса после 7 часов вечера. Поездка продолжается 15 минут, но вас ждет еще 20 минут езды на метро, если вы на нем собираетесь добираться до центра города. Автобус курсирует с 5ч. 30мин. утра примерно до 23ч.50мин. ночи.

АВТОБУС AIRPORT EXPRESS

Автобус Airport Express (AE) связывает аэропорт с Главным вокзалом (Hlavní nadrazi). Он ездит каждые полчаса, и поездка длится 40 минут. Хотя AE является частью системы общественного транспорта Праги, здесь применяются специальные тарифы: билеты можно приобрести только у водителя и в цене 50 крон (без дополнительной оплаты за багаж). AE ездит с 5ч. утра до 10ч. вечера.

НОЧНЫЕ РЕЙСЫ

Если вы хотите использовать общественный транспорт в ночное время, обратите внимание на автобус № 510, который ездит между полночью и 3ч. 30мин. утра и связывает аэропорт с трамваем на остановке Дивока Шарка (Divoka Sarka). Оттуда добирайтесь на трамвае № 51 до центра города. Обратите внимание - ночной автобус ходит каждые 30 минут.

↓..НА МАРШРУТНОМ ТАКСИ

Различные компании используют челночное сообщение „от двери до двери ... или высаживают вас в центре города. Их цены, как правило, ниже, чем в такси, и такой тип такси можно легко найти за пределами терминалов. Челночные микроавтобусы CEDAZ ходят каждые полчаса, и проезд в центр города стоит 120 крон на человека. Микроавтобус курсирует с 5ч.30мин. утра до 9ч.30мин. вечера. CE-

↓...BY TAXI

Prague taxi drivers are notorious for overcharging tourists. Generally, you should be on the safe side with the fleet of AAA-labelled taxis waiting in front of the terminal. The ride will cost around 500 – 700 crowns. Don't shy away from contacting a competing company, but make sure to always check the price beforehand, whatever company you've chosen! You shouldn't ever have to pay over 900 crowns.

DAZ вас также отвезет по любому заранее заказанному адресу (+420 211 111 111 или посетите www.cedaz.cz). Другие услуги включают трансфер из Аэропорта Прага, где принимают кредитные карты (www.prague-aeroporto-transfers.com).

↓... НА ТАКСИ

Пражские таксисты известны своим обчитыванием туристов. Поэтому на всякий случай пользуйтесь такси с надписью AAA, ожидающих перед терминалом. Поездка будет стоить около 500 - 700 крон. Не бойтесь воспользоваться услугами конкурирующих компаний, но заранее убедитесь в цене. Независимо от компании, которую вы выбрали, вы никогда не должны платить более 900 крон.

↓2. ARRIVING IN PRAGUE BY TRAIN

International trains arrive at the central station, Hlavní nádraží, often referred to as Praha hl.n. The station is directly connected with Prague's subway system and located right in the city centre. If arriving after dark, we highly recommend hopping on the subway (remember to buy a ticket) rather than walking out and through the surrounding park. Most of the station itself has just been refurbished and boasts a modern look with plenty of kiosks, drug stores and fast-food joints.

↓2. ПРИЕЗД В ПРАГУ НА ПОЕЗДЕ

Международные поезда прибывают на центральную станцию, Hlavní nádraží, часто называемую Praha hl.n. Станция непосредственно связана с пражским метро и расположена в самом центре города. Если вы прибываете после наступления темноты, мы настоятельно рекомендуем вам ехать на метро (не забудьте купить билет) и не проходить через окружающий парк. Большая часть самой станции только что была отремонтирована и может похвастаться современным видом с множеством киосков, аптек и ресторанов быстрого питания.

FACTS & INFO

3. ARRIVING IN PRAGUE BY BUS

Florenc is the central bus station; located in the city centre, it is also directly adjacent to Prague subway's station Florenc (a transfer station between the lines C and B). Like the central train station, Florenc has recently undergone a major facelift and now boasts a pleasant and clean arrivals & departures hall with kiosks and fast-foods (Burger King, anyone?), and most importantly a big screen showing the bus times and the respective platforms.

3. Приезд в Прагу на автобусе

Флоренц не только является центральной автобусной станцией, расположенной в центре города, но и в непосредственной близости от пражской станции метро Флоренц (переход между линиями С и В). Как и центральный железнодорожный вокзал, станция Флоренц недавно подверглась значительной реконструкции и теперь может похвастаться приятным и чистым залом приездов и отъездов с киосками и ресторанами фаст-фуд (желаете Burger King?), а самое главное - большим экраном с отъездами и приездами автобусов и с указанием соответствующих платформ.

4. ARRIVING IN PRAGUE BY CAR

Prague falls victim to traffic jams and a lack of legal parking spaces (streets with blue-marked areas on the side are reserved for residents and you run the risk of having your car towed if you park there). This is why we recommend using the so-called P+R's (park and ride) parking places, situated near all highways. Find more info at www.dpp.cz/en/parking.

4. Приезд в Прагу на автомобиле

Прага становится жертвой пробок и недостатком законных парковочных мест. Улицы с полосой синего цвета на стороне означают области зарезервированные для жителей. В этом случае вы рискуете, что ваш автомобиль будет отбуксирован при паркинге. Именно поэтому мы рекомендуем использовать так называемые стоянки парк анд райд (P + R) - парковочные места, расположенные вблизи всех магистралей. Более подробную информацию найдете на www.dpp.cz/en/parking.

PRAGUE'S PUBLIC TRANSPORTATION SYSTEM

Prague's public transportation system is generally reasonably clean, very efficient, runs on time, and its network spans the whole city; with the price of 32 CZK for a transfer ticket (1EUR / 1.3USD), it cannot be beat. If you don't need to venture out of the center, you can confine to using the subway (or metro, as it's called here) and trams; buses service the further-away neighbourhoods. Let's look more closely at the various tickets you can purchase.

Tickets can be bought from the numerous vending machines in all the metro stations and at many tram stops (always keep coins at hand), or from most tobacco stores / kiosks.

24-hour pass: 110 CZK
3-day pass: (72 hours): 310 CZK

ONE-OFF TICKETS

30 min. / 5 stops / no transfer ticket: 24 CZK, 90 min. transfer ticket: 32 CZK

Remember to validate your ticket upon first entering the metro / boarding a tram or bus. (i.e. slip the ticket into one of the yellow boxes and wait for the info to be stamped on it).

For more information about Prague Public transport visit www.dpp.cz or call the free info line 296 191 817.

СИСТЕМА ОБЩЕСТВЕННОГО ТРАНСПОРТА В ПРАГЕ

Общественный транспорт в Праге, как правило, достаточно чистый, очень эффективный и точный. Его сеть охватывает весь город. Цена билета 32 крон за поездку с пересадкой (1EUR / 1.3USD) очень выгодна. Если вам не надо выходить из центра, вы можете ограничиться метро и трамваями. Автобусы следуют в окрестности города. Давайте более внимательно рассмотрим различные

типы билетов, которые можно приобрести. Билеты можно приобрести в многочисленных торговых автоматах на всех станциях метро и на многих трамвайных остановках (всегда имейте при себе монеты), или в большинстве табачных магазинов или киосков.

Суточный билет (24 часа): 110 крон
Трёхдневный билет(72 часа): 310 крон

РАЗОВЫЕ БИЛЕТЫ

30 минут / 5 остановок / без пересадки: 24 крон
90 минут /с пересадкой: 32 крон

Не забудьте закомпоствировать свой билет при первом входе в метро, в трамвай или в автобус. (т.е. вложите билет в одну из желтых коробок и подождите пока билет не будет закомпоствирован). FACTS & INFO

For over 1000 years, Prague has served as the political, cultural and economic centre of the Czech state. Having been the seat of two Holy Roman Emperors during the gothic and renaissance periods, it also had the status of the Holy Roman Empire capital. Prague's history commenced in the year 870, although evidence shows the area had been inhabited since the Stone Age. The city flourished during the 14th century, under the reign of King Charles IV, who, among other deeds, ordered the building of the famous Charles Bridge or Saint Vitus Cathedral, the oldest gothic cathedral in central Europe, and Charles University, the oldest university in central Europe. Prague was then the third-largest city in Europe. Now home to some 1.2 million inhabitants, Prague became the capital of the newly set up Czechoslovakia in 1918, with the end of WW I and the dissolution of the Austro-Hungarian Empire. In 1992, Prague's historic center became a UNESCO world heritage site, and is currently one of the world's most popular tourist destinations.

На протяжении более 1000 лет, Прага служит политическим, культурным и экономическим центром чешского государства. Она была пристольным городом двух императоров Священной Римской империи в готическом периоде и в эпохе Возрождения. Прага также имела статус столицы Священной Римской империи. История Праги началась в 870г., хотя есть сведения о том, что область была населена с периода каменного века. Город процветал в течение 14-го века, во времена правления короля Карла IV, который, наряду с другими проектами, приказал построить знаменитый Карлов мост, кафедральный готический собор Святого Вита, и Карлов университет - старейшие постройки в Центральной Европе. В то время Прага была третьим по величине городом Европы. Сейчас здесь проживает около 1,2 млн. человек. После окончания Первой мировой войны и распада Австро-Венгерской империи в 1918 году Прага стала столицей вновь созданной Чехословакии. В 1992 году исторический центр Праги стал принадлежать к Всемирному наследию ЮНЕСКО, и в настоящее время является одним из самых популярных туристических мест в мире.

THE POWER OF CLASSIC

It's probably not surprising that it is often easier for artists to recycle previously successful ideas than to invent some new ones. It's hard to blame them but when it works. Do we really need a new artist with a quirky imagination, when can see the work of beloved Tim Burton? Why do we look for new comic book heroes, when the characters of the Marvel universe are perfected and popular in the cinemas? And what's the point to come with original enemy when good old Godzilla is just enough and the interest is guaranteed?

We swear on artists that do not have ideas, but the truth is that the audience really isn't interested in them. They want certainty, known points, which can provide culture based on personal experience.

For this reason, some of our tips seems a little nostalgic. But thanks to this you have total confidence for your best choice.

CAT'S GALLERY

Týnská 9, Praha 1

The idea that we should establish a cat gallery arose long before its realization. While visiting various foreign cities and buying cat-souvenirs we sometimes came across a specialized shop for cat-lovers, but we hadn't seen something of that kind in our country. Owing to our affection to cats we have piled up an unbelievable amount of drawings, pictures, cups, variety of pieces and small sculptures and the like to diverse occasions at home and so it was slowly but surely necessary to create an especially detached chamber for them. When we considered about it, we figured out that also the others can enjoy and share our passion for cats! We are just only going to get some more, enlarge our cat-park and open a sell-gallery! On the first of November 2001 after a thorough selection we acquired a space in Týnská street and in fortnight we opened the shop.

Nowadays the biggest reward for us is when we see twinkling faces of our visitors and particularly cat- and animal-lovers how they exult admiring miscellaneous trifles with cat motifs.

KEVIN COSTNER

He once belonged to the biggest stars in Hollywood. Then, like many of his colleagues, he has seen his career twilight. Finally he gets back to the acting elite. He played supporting roles in the hits *The Man of Steel* and *Jack Ryan* and now, as a Secret Service Agent Ethan Renner, he returned in the action that may prolong his life. During the film he has to deal with the enemies, but at the same time he must solve troubles with estranged teenage daughter.

How would you introduce your new movie *3 Days To Kill*?

The action movies are not so complicated. They have uncomplicated plot, uncomplicated characters, and runs to the next car chase or fight.

Great think about this movie is that we have there a lot of action and a great story. That makes a great pair together.

How do you see the profession of your character?

Personally, I do not see him as the best, but rather as someone to whom you can always rely on. Ethan for me is actually normal guy. He does not want to be the leader, he wants to enjoy the peace and cease to prioritize family over work.

The movie comes from the production of Luc Besson, who likes to combine action and comedy. Can we also look forward to some humorous passages?

When the movie is made good, you can always smuggle relieving humor into heavier scenes and we tried it here. To always make sign of fun. We've got a scene where the hero interrogates someone and at any moment his daughter can enter the room. When a joke is inserted correctly, it has its charm.

How much have you been impressed when you have read about your character for the first time?

It was a sense of humor, which Ethan keeps, even though he faces a tough day. I appreciated that.

It is an action movie, so there are various challenging scenes requiring the stunt work. How much did you use their services?

I'm trying to do them a lot by myself, but rationally. When there is a car chase where the auto is filmed from a distance, it is not even necessary for me to sit there directly. But when it comes to the closer shots, I'm trying to be me. We had great stuntmen and great stuntmen boss for sure. There is an interesting story of him, as he told me that the first film in which he saw me was the Postman. The film touched him and at the same time inspired to become a stuntman. And now, as the chief of the stunt he led me. It was a kind of ring closure for him (laughs).

Director McG have made a name in Ho-

llywood especially with his crazy action comedies of Charlie ,s Angels . How are you working with him ?

McG is a master of camera and perfectly knows the history of the film. He loved a lot of discussion about the film, which is a style of speech that is very familiar to me. I'm not sure I understand films as well as he did, but I am certainly old enough to see them all (laughs). And he is a hard worker. He works really hard on making the actor feel important and it is a great feeling. Especially when you are away from home.

The role of your daughter was taken by Hailee Steinfeld. How do you work with her?

Hailee has proven to be a great partner to the set. Bursting with ideas, energy, ability to react quickly. Always carefully prepared, was on hand mom, teacher and worked in the role. She definitely deserves success.

INTERVIEW: Vlastimil Musil

H *He deals with Bohemian garnet processing already for 30 years. The production of jewellery becomes for him almost whole-life fulfilment of interests. In the interview with him, you can simply recognize a love to craft: Even after such a long time, he can't talk about the garnet without a spark in his eyes. And also, he has a penchant for tie clips and cufflinks. That all is the sales and marketing director of co-operative Granát Turnov Vlastimil Musil.*

Can you describe, in what lies the uniqueness of Bohemian garnet?

Bohemian garnet is unique because of its originality and bloody red color. Because we mine and process it in Czech Republic, it became our national tradition and national wealth. Its bloody red color is unmistakable and together with the tradition and national meaning that stone makes also the whole jewel unique.

How is it with Bohemian garnet worldwide?

Our co-operative has its customers worldwide, from United States through Europe to Japan. Ask foreign tourists, they'll tell you, what am I talking about. Jewelry with Bohemian garnets are very favored between foreign tourists or customers in foreign countries.

Why would you recommend Bohemian garnet?

A customer, who bought original jewel with Bohemian garnet, chose a right variant. He bought something original, he bought a present or jewel, which has a direct relation to visited country, and when he wears this jewel, even after a long time, he will remember with a pleasure those nice whiles spent in Prague or in other Czech city or town.

How one recognizes Bohemian garnet?

Jewelry with Bohemian garnets have its specific characteristics and shape. Since Bohemian garnets are quite little stones, the jewel is characteristic by a big field of small, bloody red stones. Its size is roughly 2.5 to 5 mm. Original jewellery is delivered together with a certificate of authenticity, which is equipped with a holographic label in a shape of logo of our co-operative and it is made under trademarks Český granát (Bohemian garnet) and Granát Turnov (Garnet Turnov). Each jewel is marked by hallmark in a shape of letter "G".

You lead even a museum of Bohemian garnet in Turnov. What all does it offer?

A visitor may become familiar there with a history of both the extraction, and also processing of Bohemian garnet. Even more this year, we'll celebrate 60 years of this tradition. In museum, customer center and Galerie Granát (Gallery Garnet) we perform these works to visitors and they can try then the production themselves.

That is very impressive and it catches eye of many incomers. In ground floor, there are our stores, where tourists can buy our goods with advantage.

Granát, artistic manufacturing cooperative, Turnov The manufacturer of the traditional jewelry from Bohemian garnet. The biggest collection with modern design patterns. The only owner of a Bohemian garnet strip mine.

SINFUL NIGHT LIFE OF PRAGUE CITY

Why will be deluding ourselves. Every good capital, whose streets pulsate with life, must have beside restaurants, bars, cafes and shopping centers also (as the novelists say) the houses of love. And even Prague is no exception. But before we go into its streets, let's make a small historic revision.

It is no longer the rule that these places are for desperate individuals. Time progressed. You can forget the red neon lights, a company of doubtful quality and cheating customers. Although the movies are convincing us that the so-called night clubs are cheap sources of vice, many psychologists have the opposite view: the company struggles with excessive shame and these clubs can be the right medicine.

When was the phenomenon of night clubs or prostitution itself actually born? Well, not for anything they say

that it's the oldest profession of the world. It is probable that prostitution has evolved from religious belief and rituals which were held to celebrate the goddess of fertility in the Middle-Age. In the 19th century it was strongly developed and reached all segments of society from politics to high art (for example Vincent Van Gogh lived for years with a Flemish prostitute). Even fifty years ago, half of the prostitutes were involuntary. This should already be over. The paradox is that there were previously only 10% of prostitutes educated; now the 50% of them are college students. This is an education reform!

We know that it's not easy to find the right company in which you can feel natural and comfortable. Indeed, there are lots of them and if you had to visit them all, it would cost you the whole wealth. For this reason, we are showing few short "best of" tips in the following pages. We guarantee that you definitely won't be bored. The ride full of excitement and beautiful women is awaiting!

GET TO KNOW SOMETHING!

Nice weather does not tempt only to relax in the sun, sport activities or long walks with four-legged (or two-legged) pet. A nice day also motivates us to learn. The Czech Republic is full of places that are worth exploring. Today, we'll send you feast, educate and naturally there must be included some Czech castle. No, it would not be the same without it.

Kutná Hora offers spectacular faded grandeur without the capital's madding crowds. The financial center of Bohemia until the silver ore ran out, Kutna Hora once rivaled Prague's magnificence.

Dačický is the Traditional Old Czech Tavern in the historical town Kutna Hora. Lovely, welcoming atmosphere. Fantastic, delicious food and brilliant decor. Even the smell of the place was great! Easily our favourite place on our whole trip to Czech Republic. Would definitely recommend to anyone travelling to Kutná Hora.

A TRIP TO PILSEN FOR SCIENCE AND TECHNOLOGY

www.visitplzen.eu, www.techmania.cz

An ideal trip for the whole family offering newly opened Techmania Science Center, which is located in the premises of the former Škoda. The renovated factory building covering an area of 10,000 square meters features hundreds of interactive exhibits from physics or biology. The playful exposures will try out their knowledge of natural laws of children but also adults. The part of Techmania is also an exhibition about the history of the famous Škoda engineering company and 3D planetarium in another historic building of Škoda. Visitors, thanks to projection on a huge spherical surface, can experience the feeling of an astronaut on the way to the moon or almost touch the stars. Family trip to Plzeň can be spiced up with a visit of the zoo, the Dinopark or the Puppet Museum.

Visiting the castle doesn't need to be boring. Every Sunday in August at the Castle Dobříš, you can take tours to normally inaccessible places in the French park. Please refer to the original brewery cellars or orangery. Falconer with his feathered friends will visit us as well. Children can explore owls and raptors close and cuddle them on their hands. In July and August is the castle Dobříš also prepared for night tours every Wednesday. In late October 2013, you can see a collection of teddy bears in the castle chambers.

Baroque? It's not only gold chubby angels. It's also beautiful and interesting music that, contrary to expectations, may

not be at all serious. Seriously! Come and be convinced at the Olomouc Baroque Festival. Enjoy tafelmusik as a prelude to the costumed Baroque and Neo-Baroque operas in the historical backdrop of the ancient city of Olomouc and night city when viewed from the church tower. You won't regret the trip to Olomouc. I guarantee it. However, you will be satisfied with your own eyes.

OLOMOUC REGION

The Olomouc region is the site of two tourist areas. While Jeseníky are a paradise for lovers of mountain scenery and a popular destination for relaxation, sport and recreation, Central Moravia (Střední Morava) is a place of unique sights and Haná traditions.

While wandering in the Olomouc region you can take advantage of a tourist card, which entitles you to entry 78 most interesting places for free (castles, museums, zoo and other) and also allows you to use attractive discounts at 101 places. With the card you can recognize all the beauty of the Olomouc region, you will get a free ticket for public transport in Olomouc, save money in aqua parks or spend less in restaurants and accommodation. Choose between two length variants of the card. To spend a weekend in the Olomouc region, choose „Olomouc region Card 48

region Card 48 hours.“ If you're planning a longer stay, get a „Olomouc region Card 5 days“. Both types of card can be purchased at selected information centers and also in a version for kids. Trips and more detailed information can be found at www.ok-tourism.cz.
