↓ 1. PRAGUE BY PLANE

The airport is located on the northwest edge of Prague, about 20 kilometres (12 miles) from the centre of the metropolis. Your money can be changed in the currency exchange offices or kiosks situated in the airport. Приветствую вас в Праге! Если вы только прилетели самолетом, приехали поездом, автобусом или на машине, у нас есть для вас много интересной информации о том как доехать до центра используя все возможные виды транспорта, чтобы вы напрасно не потратили много денег.

FACTS & INFO

If you choose cheaper but less convenient public transport you have to expect fifty minutes on the road.

↓...BY PUBLIC TRANSPORTATION

The bus is the cheapest way to get to the city centre. The disadvantage may be that you need to buy a bus ticket paid in Czech crowns or with credit card. To get the cash, you can use ATMs in the arrival halls of the airport. Or you can buy the actual ticket directly in a kiosk or at the information counter in both arrival halls (open from 7:00 a.m. to 10:00 p.m.). Furthermore, in the vending machines, located next to the bus stop, or directly from the bus driver (it will cost you a few crowns more). The ticket price is 32 CZK for a transfer ticket, with which you can freely switch among bus, tram and subway for 90 minutes. On the shorter distance and duration of 30 minutes you can use the ticket for 24 CZK (with this ticket, however, it is not allowed to switch among the types of transport). If you have more luggages, you will pay 16 Czech crowns extra.

BUS # 119

This is the most likely choice for most people because the BUS # 119 provides the fastest connection to the historic city centre. Depending on the time of day, the bus runs every 7-20 minutes and gets you to subway line A. After boarding remember to „click“ the ticket. Get off at the station Velešlavín (journey from the airport to the subway takes about 15 minutes). Subway entrance is located few steps from the bus stop. The bus runs from 4:23 a.m. until 11:45 p.m. at night.

↓...НА ОБЩЕСТВЕННОМ ТРАНСПОРТЕ

Автобус это самый дешевый способ добраться до центра города. Недостатком может быть то, что вам придется купить билет на автобус, который нужно оплатить в чешских кронах. Снять деньги можно в банкоматах в зале прибытия. Сам билет можно купить в киосках в залах прилета (открыт с 7:00-22:00). Так же билет можно приобрести в автоматах которые находятся прямо на автобусной остановке или у водителя автобуса (в этом случае он может стоить немного дороже). Цена билета 32 кроны, этот билет действителен 90 минут, с ним вы можете совершать пересадки между автобусами, трамваями и метро. На короткие расстояния до 30 минут, можно использовать билет за 24 кроны. Если у вас большой багаж, то вам придется заплатить еще 16 крон.

АВТОБУС № 119

Автобус № 119 – выбор большинства людей обеспечивает быстрый доступ к историческому центра города. В зависимости от времени суток этот автобус ходит каждые 7-20 минут, и довезет вас прямо до станции метро А. Не забудьте пробить билет, зайдя в автобус. Выйдите на остановке Nádraží Velešlavín (весь путь от аэропорта до станции метро займет 15 минут). Вход в метро расположен сразу у автобусной остановки. Автобусы ходят с 4:23 утра до 23:45 ночи.

Most of the station is renovated and offers a modern look with plenty of stalls, shops and fast-food restaurants.

And most importantly, there are a large digital boards showing departure / arrivals times of buses and associated boarding platform.

4. ARRIVAL TO PRAGUE BY CAR

Prague, like most European cities, suffers from very heavy traffic and lack of freely available parking spaces (the street with blue coloured areas are reserved for residents and you risk stripping off your car when you park there). 4. До Праги автомобилем

Прага как и большинство европейских столиц, страдает очень большим потоком машин и нехваткой парковочных мест(улице с синей полосой зарезервированы для резидентов, поставив машину вы рискуете, что ее заберут). Это причина, почему мы рекомендуем вам пользоваться так называемыми P+ R (Park и Ride) парковка, которая находится недалеко от всех остальных дорог. Более подробная информация на сайте www.dpp.cz/en/parking.

5. SUBWAY

The Prague subway consists of three lines - A (green), B (yellow) and C (red). Subway in Prague is designed so that it gets you to all historically and logistically important locations (or at least near). Subway is clear and many stations recently underwent large renovations.

PUBLIC
TRANSPORT

FACTS & INFO

For over 1000 years, Prague has served as the political, cultural and economic centre of the Czech state. Having been the seat of two Holy Roman Emperors during the gothic and renaissance periods, it also had the status of the Holy Roman Empire capital. Prague's history commenced in the year 870, although evidence shows the area had been inhabited since the Stone Age. The city flourished during the 14th century, under the reign of King Charles IV, who, among other deeds, ordered the building of the famous Charles Bridge or Saint Vitus Cathedral, the oldest gothic cathedral in central Europe, and Charles University, the oldest university in central Europe. Prague was then the third-largest city in Europe. Now home to some 1.2 million inhabitants, Prague became the capital of the newly set up Czechoslovakia in 1918, with the end of WW I and the dissolution of the Austro-Hungarian Empire. In 1992, Prague's historic center became a UNESCO world heritage site, and is currently one of the world's most popular tourist destinations.

На протяжении более 1000 лет, Прага служит политическим, культурным и экономическим центром чешского государства. Она была пристольным городом двух императоров Священной Римской империи в готическом периоде и в эпохе Возрождения. Прага также имела статус столицы Священной Римской империи. История Праги началась в 870г., хотя есть сведения о том, что область была населена с периода каменного века. Город процветал в течение 14-го века, во времена правления короля Карла IV, который, наряду с другими проектами, приказал построить знаменитый Карлов мост, кафедральный готический собор Святого Вита, и Карлов университет - старейшие постройки в Центральной Европе. В то время Прага была третьим по величине городом Европы. Сейчас здесь проживает около 1,2 млн. человек. После окончания Первой мировой войны и распада Австро-Венгерской империи в 1918 году Прага стала столицей вновь созданной Чехословакии. В 1992 году исторический центр Праги стал принадлежать к Всемирному наследию ЮНЕСКО, и в настоящее время является одним из самых популярных туристических мест в мире.

CULTURE & EVENTS

IT PAYS TO WAIT

Sometimes it takes years for dream projects to get to the finish. And this time around we've got several culture tips that fans have been waiting a long time for.

Take *Venom* for example, which you'll find at the bottom of the page. This tough guy from the Spider-Man universe was to first see his film in 1997 (!), for the second time in 2007 and the third time 5 years ago (then following up on the *Amazing Spider-Man*). It's actually a miracle, that we lived to see it at all. The likable Jason Momoa himself had to wait 14 years before Hollywood finally gave him a major lead role in *Aquaman*.

For 7 years we've been waiting for the scatterbrain Johnny English to return, and here comes a new Halloween that ignores all the sequels and only follows up on the first film. And it's a fantastic movie! Waiting simply pays off. If only it didn't take so long some times.

VENOM

Action / Thriller / Sci-fi, USA, 2018

Director: Ruben Fleischer

Stars: Tom Hardy, Michelle Williams, Riz Ahmed, Jenny Slate, Woody Harrelson, Michelle Lee

Release date: 4.10.2018

It was only a matter of time before comic films would focus on the „dark side of power“. It was Sony who took this step in the end, and it's a pretty

surprising development: this is a revived effort to build a movie universe around Spider-Man characters (but without the spider hero himself, which adds a strange flavor to the whole thing). Originally, the *Venom* series was to be tied to *Amazing Spider-Man*, but the studio decided not to go forward with that on account of the lack of sales. So here we have a solo picture with Tom Hardy in the lead role. The result should be worth it!

A STAR IS BORN

Drama / Musical, USA, 2018

Director: Bradley Cooper

Stars: Bradley Cooper, Lady Gaga, Sam Elliott, Dave Chappelle, Anthony Ramos

Release date: 4.10.2018

This film is the directorial debut for four-time Academy Award nominee Bradley Cooper (A-Team, American Sniper). In the movie, Cooper simultaneously plays the country star Maine Jackson, who discovers an unknown talented singer Ally (the excellent Lady Gaga!). When the two plunge themselves into a passionate love affair, Jack gets Ally to perform in the spotlight and thus catapults her to fame. But when Ally's rocket start begins to overshadow his own career, Jack is increasingly struggling with his withdrawal from the big stages, and begins to be consumed by his own inner demons.

FIRST MAN

Drama, USA, 2018

Director: Damien Chazelle

Stars: Ryan Gosling, Claire Foy, Kyle Chandler, Corey Stoll, Lukas Haas, Jason Clarke

Release date: 11.10.2018

A flight to the Moon is appealing subject-matter. Damien Chazelle, Oscar-winning director of La La Land, has decided to tell the story about the very first one, when the legendary Neill Armstrong made his „giant leap for humanity“. The question was how Chazelle would cope with his first non-musical project (which he also didn't write the script for). Impressions of the first screenings are extremely positive. The atmosphere of the time period is said to be perfect, the tension can literally be cut with a knife (basically it's a suicide mission) and the acting performances are worthy of Oscar statuettes. We can't wait!

BAD TIMES AT THE EL ROYALE

Thriller / Mystery, USA, 2018

Director: Drew Goddard

Stars: Jeff Bridges, Cynthia Erivo, Dakota Johnson, Jon Hamm, Chris Hemsworth, Caillee Spaen

Release date: 11.10.2018

Was Tarantino's last The Hateful Eight not to your liking for various reasons? You will soon be able to set that straight with another atmospheric spectacle Bad Times at the El Royale. Seven strangers represented by star actors find themselves in a mysterious hotel and it doesn't take long before

strange events are afoot. Bad Times at the El Royale is the work of talented screenwriter and occasional director Drew Goddard (The Martian, The Cabin in the Woods, Cloverfield), this time Goddard seized the reins of both the story and the directing. And got himself a stellar cast in the process!

CULTURE & EVENTS

HALLOWEEN

Horror / Thriller, USA, 2018

Director: David Gordon Green

Stars: Jamie Lee Curtis, Judy Greer, Virginia Gardner, Andi Matichak, Nick Castle, Will Patton, Miles Robbins, Toby Huss, Omar J. Dorsey
Release date: 18.10.2018

There are probably very few horror fans who don't know the character of Michael Myers. He likes to kill poor passers-by in a hundred different ways, has an unhealthy fixation on murdering his sisters, and indulges in a frightening white mask. And the latest addition to the series offers a really interesting twist - Jamie Lee Curtis returns as Laurie Strode for the last

clash with Michael Myers (Nick Castle), who vainly chased her during Halloween, already 40 years ago! At that time, Laurie had escaped the crazed killing of this masked figure. Can she do it again? And why does Laurie return when she already died? Well, the authors of the new part ignored all the movies apart from the first one, which was a smart decision

STAR WARS IV
IN CONCERT

O2 arena, Prague 9

Price: from 890 Kč

15.10.2018

The film saga Star Wars has touched millions of fans around the world. This is one of the most successful film stories of all time, whose fame and popularity has outlived film screens and it has become one of the most valuable brands on the planet. Czech Star Wars fans are about to have a unique experience. „Thanks to the large projection screen and the great Philharmonic Orchestra, viewers will be totally drawn into the action and will be able to experience the destruction of the Death Star entirely in their own skin,“ said the spokesperson of the JVS Group organizing agency Květa Havelková.

JOHNNY ENGLISH 3

Horror / Thriller, USA / GB / FR, 2018

Director: David Kerr

Stars: Rowan Atkinson, Olga Kurylenko, Emma Thompson, Jake Lacy, Ben Mille, Adam James, Eddie O'Connell, Junichi Kajioka, Nick Owenford
Release date: 25.10.2018

Johnny English performed by the irresistibly awkward Rowan Atkinson strikes again! This time the story is kicked off by a cyber-attack that reveals the identity of all secret British agents. Johnny English remains the only hope still unrevealed, but first it will be necessary to call him up from a well-

-deserved rest. English wholeheartedly throws himself into his mission, which should result in the hacker who caused this security calamity being revealed and arrested. But for Johnny English to succeed, he will have to set aside his analogue methods of work and try to understand the digital world.

BOHEMIAN RHAPSODY

Drama, USA / GB, 2018

Director: Bryan Singer, Dexter Fletcher

Stars: Rami Malek, Joseph Mazzello, Gwilym Lee, Ben Hardy, Allen Leech, Tom Hollander

Release date: 1.11.2018

The only thing more remarkable than their music is their story. Bohemian Rhapsody describes the musical career and the uncontrollable life spiral of Freddie Mercury from the establishment of the music group Queen to the memorable Live Aid concert in 1985. The picture was originally to be filmed by the

director Bryan Singer (X-Men, The Usual Suspects). At the end of last year, however, he was fired on the spot by the unsatisfied production and replaced by Dexter Fletcher (Eddie the Eagle). How much of Singer's filmed material remained in the movie, we don't know. In any case, both directors are signed under the project.

FANTASTIC BEASTS: THE CRIMES OF GRINDELWALD

Adventure / Fantasy, USA / GB, 2018

Director: David Yates

Stars: Eddie Redmayne, Katherine Waterston, Johnny Depp, Jude Law, Dan Fogler, Ezra Miller, Zoë Kravitz, Alison Sudol, Claudia Kim

Release date: 15.11.2018

In the new film, Grindelwald will escape from captivity and begin to gather followers who often don't even know what his real intention is - for purebred wizards to rule all non-Magical beings. To try to stop him, Albus Dumbledore seeks help from his former student, Mitch Scammander, who accepts the offer without realizing the dangers ahead of him. The story takes place in New York, Paris and London, where boundaries, love and the alliances set in the family and among friends are tested, while the wizarding world experiences stormy times and becomes more torn apart

AQUAMAN

Action / Adventure / Sci-fi, USA, 2018

Director: James Wan

Stars: Jason Momoa, Amber Heard, Patrick Wilson, Nicole Kidman, Yahya Abdul-Mateen II, Willem Dafoe, Randall Park, Dolph Lundgren

Release date: 13.12.2018

DC Studio does not lie in a bed of roses. Wonder Woman won over audiences, but the Justice League has become one of the biggest commercial disasters of last year. Can Aquaman manage to turn things around? It should be a superhero adventure show with comic elements. As director Wan confessed himself during filming, complicated tricks made his work difficult. But Wan is capable enough, so he shouldn't have a problem with that. After all, he was the one who launched the successful series of Saw and The Conjuring. And his Fast & Furious 7 was also kick-ass. So, Aquaman should be pretty cool.

FEEL LIKE IN HOLLYWOOD!

Although you won't find any Hollywood movie stars in the Czech streets, many of them were filming here. So you can make a picture of Czech sites that adorn a lot of famous Hollywood movies.

We have to start with the blockbuster *Mission: Impossible* from 1996 with Tom Cruise in the lead role. It was the first major Hollywood production that visited Prague and the filmmakers had used a number of gorgeous Prague scenes. The party at the embassy was filmed at the National Museum, the escape from modern glass restaurant (cover photo) on the Old Town Square. In this case, however, keep in mind that the restaurant itself doesn't exist – it was made just for the purpose of filming the movie.

After 15 years the production of *Mission: Impossible* returned to Prague, this with the fourth chapter – *Ghost Protocol*. They used the Main Railway Station (the opening scene with killed agent) or the corner house in the street Pštrossova 17, where Ethan Hunt ran from the police. In 2002 Anthony Hopkins and Chris Rock visited Prague together to shoot an action thriller *Bad Company*. Rock was chased

by bad guys in Thun Street in Lesser Town (Malá Štrana), Hopkins' agent went to help him through Castle stairs (Zámecké schody). Together they went to the Castle Square. They also used the Shooter's Island (Střelecký ostrov) in the Old Town (the scene with atomic bomb dealer).

Even the legendary vampire slayer Blade used the streets of Prague in his second adventure movie. From the entrance next to the pizzeria in the Sokolovská Street, the filmmakers made a vampire blood bank. And for the seat of vampire family Damaskinos they used secluded place of Vaničкова Street.

Prague had a key role in the action movie of Vin Diesel *xxX* filmed in 2002. Beginning of the movie was shot on the Old Town Square (the producers managed to depopulate it, which was almost an im

possible task), then the camera wandered the Týnská Street, the Powder Gate, the Republic Square and the seat of the Czech philharmonic – Rudolfinum.

In 2004 our country was visited by Wolverine – Hugh Jackman, in those times without his comic book claws, but with his long coat and hat as Van Helsing. The battle in the village with three brides of Dracula (probably the best part of the movie) was filmed at the Kunratice Castle in Prague 4. Then the hero walks the street Na Kampě under the Charles Bridge, where

one of the brides offers him a trade. The magnificent ball of vampires was filmed in the Saint Nicholas Church.

This list of Hollywood hits, which included Prague to its scenes, naturally doesn't end. Furthermore, there were shot movies like The Bourne Identity (street Kampa, street of Political prisoners, the Senovážná square) or A Knight's Tale (Prague Castle, the Charles Bridge). Before the walk in our metropolis we recommend to watch all of these mentioned movies.

Are you planning a corporate party, or want to invite your business partners, want to experience something that they will not offer you anywhere else? It is definitely worth a trip to Horní Počernice where Praga Arena is home to the go-kart center.

Real gasoline machines on sports chassis are waiting for you on those tracks, where the passionate drivers can really enjoy maximally. However, even those less experienced do not have to be afraid to sit behind the wheel, after brief instruction they can safely go on track.

We strongly recommend organizing the endurance race in Le Mans style, with which you are sure that everyone will enjoy the fun. At the same time, there are up to 12 karts and more numerous (3-8 members) teams can constantly watch how they are doing

in their race. Alternating riders and inventing tactics is exactly what a person expects from team building.

Running on the track can be seen from a restaurant with a bar, in a pleasant environment with a burning grill. The restaurant with a capacity of 200 to 300 seats offers grilled specialties, desserts, varied drinks and many other specialties, all of which are of course dependent on the agreement. The modern background is equipped with LCD screens with a timer and projectors that can be used for projection at events.

There is no problem in arranging practically anything at parties. The premises of the restaurant are also sufficient for the band to play here during your event, and there can also be other attractions, which can be ordered by agreement. You can also play billiards or darts on site.

Praga Arena combines ideal space for larger and more modest events, excellent service, and long entertainment. If you

are looking for a corporate party that will be everything possible, just not boring, you have no reason to hesitate a minute. However, it is good to book ahead. The most demanding dates, especially during corporate parties, are hopelessly occupied.

As far as the location is concerned, Praga Arena is situated in Horní Počernice, where you can easily reach either by car or bus from the Černý Most metro (the journey takes only a few minutes). It is also worth mentioning its own large parking lot in front of the complex.

The Prague Arena, of course, is not there just for corporate events and big parties. You can definitely go to the area with just a few friends. The experience you gain is worth it. You will not find better karts anywhere in Prague.

PIKNIK PARK

- A FRESH BREEZE IN MALÁ STRANA

The recently opened Piknik Park restaurant is located in the heart of Mala Strana, just a few steps from Charles Bridge and Lennon's Wall. Piknik Park is situated right by Certovka, so the view is truly unique.

The interior of the business is beyond reproach. This is a new, completely renovated space, designed with sensitivity and is more intimate. The restaurant and the garden can accommodate a few dozen people, which I personally perceive as a big plus. Large businesses have a substantially less personal impression, and one often feels like in a factory cafeteria in them.

The restaurant menu is focused on Italian cuisine. This is - true - a somewhat unusual choice in the center of Prague. But it makes sense. The quest for typical Czech fare has become a nonsensical mantra of many Prague businesses and gastronomy has been stagnating in recent years thanks to it. The pure Italian cuisine is therefore a fresh breeze in Prague, and in this case also an authentic one. In Piknik Park, two Italian cooks are in control of the cuisine, all the dishes are made from high quality and fresh ingredients and always according to the best traditions of Italian cuisine.

Due to the Italian cuisine, it is not surprising that the drink menu is not domi-

nated by beer (but of course, it is also on tap there). On the contrary, wine which is delivered to the restaurant by the winery Víno Hruška, plays a key role. Part of the restaurant is a stylish vinothèque and although Czech wines clearly dominate the offer, there are, of course, also foreign wines

In spite of its location in the heart of Mala Strana, Piknik Park does not have any exorbitant prices (which holds true for wines as well, where a whole bottle is priced in the hundreds of crowns). What, on the contrary, Piknik Park has - and it is a real rarity in this area - is a year-round garden, which includes thermal heaters.

Piknik Park stands out on account of one more minor detail: live music on the terrace (played every day from 7:00 pm). It is usually played by two musicians (such as a violinist and a guitar player) and gives the atmosphere of the place a truly unique touch.

It's no problem going to Piknik Park without a reservation, but if you are planning to go there in the evening, a reservation won't hurt. Of course, there is the possibility to rent the whole space for a private event, while in the case of a banquet you do not have to restrict yourself to just Italian cuisine.

Every city is held „hostage“ to supply and demand in some way. This dictates the trend and, to a great extent, it may suppress originality. Piknik Park goes its own way. It offers a place that is not afraid to be elegant, affordable at the same time, with refreshing cuisine and a location that is popular for its scenic walks. You certainly won't go wrong with visiting it.

MAIN THEME

SINFUL NIGHT LIFE OF PRAGUE CITY

Why will be deluding ourselves. Every good capital, whose streets pulsate with life, must have beside restaurants, bars, cafes and shopping centers also (as the novelists say) the houses of love. And even Prague is no exception. But before we go into its streets, let's make a small historic revision.

It is no longer the rule that these places are for desperate individuals. Time progressed. When was the phenomenon of night clubs or prostitution itself actually born? Well, not for anything they say that it's the oldest profession

of the world. It is probable that prostitution has evolved from religious belief and rituals which were held to celebrate the goddess of fertility in the Middle-Age. In the 19th century it was strongly developed and reached all segments of society from politics to high art (for example Vincent Van Gogh lived for years with a Flemish prostitute).

We know that it's not easy to find the right company in which you can feel natural and comfortable. Indeed, there are lots of them and if you had to visit them all, it would cost you the whole wealth.

For this reason, we are showing few short "best of" tips in the following pages. We guarantee that you definitely won't be bored. The ride full of excitement and beautiful women is awaiting!

LOST IN TRANSLATION: HOW TO USE CZECH EXPRESSIONS

A Czech will not tell you to “go to hell/fuck off”...they will ask you to “go to the woods!” (Do háje/ Do Prčic).

A Czech does not blame things on “bad karma”...it’s more like “to shit in one’s shoes.” (Nasrat si do bot).

Czechs don’t “gate crash” or “party crash”...instead they “rub themselves in somewhere.” (Vetřít se někam).

For Czechs, something isn’t, “all Greek to me” but instead “a Spanish village to me.” (Je to pro mne španělská vesnice).

A Czech won’t say “It’s apples and oranges”...instead, it’s “a different kind of coffee.” (To je jiné kafe).

Czechs won’t say someone or something is “as useful as ”...they describe it more “as useful as an overcoat for the dead.” (Platný jak mrtvýmu zimník).

Czechs won’t call someone “absent minded”...they will say that person is “staring into stupid.” (čumět doblba).

Czechs don’t wake up “at the crack of dawn” ...they “get up with the chickens.” (Vstávat se slepicemi).

Czechs don’t get “speechless”...they “have a dumpling in one’s throat.” (Mít knedlík v krku).

A Czech will not admit to “besting” you... they will say they’ve “pushed you into their pocket.” (Strčit někoho do kapsy).

Czechs don’t “get into a pickle”... they are more likely “to be in the rice.” (Být v rejži).

Czechs don’t “kill two birds with one stone”...they “kill two flies with one hit.” (Zabít dvě mouchy jednou ranou).

Czechs won’t say something is “messy”... it’s more like a “brothel.” (bordel).

Czechs don’t “put pressure” on you... they “put the knife on someone’s throat.” (Dát někomu nůž na krk).

Czechs don’t go to “stag parties/bachelor parties”...they go on a “men’s ride.” (Pán-ská jízda)

In the Czech Republic, it won’t “rain cats and dogs”... it “rains as if from a watering can” (Lije jako z konve).

Czechs don’t “cross their fingers” to wish good luck on someone...they “hold one’s thumbs.” (Držet (někomu) palce).

Czechs don’t “walkin into the lion’s den”...they “tease a snake with bare feet.” (Dráždit hada bosou nohou).

Czechs don’t “beat around the bush”... they “walk around hot porridge” (Chodit kolem horké kaše).

Czechs don’t get “fed up”...they “have their teeth full of it.” (Mám toho plné zuby).

Czechs will not wish you good luck by saying, “break a leg”...they will ask you rather to “break your neck.” (Zlom vaz).
